Children's Shoes

A Corollary to the Shoe Sale

OUR recent and present shoe selling has attained monumental proportions in the eyes of those watchful and alert people, the shoemakers

and factors. Eyes eager for large outlets have been fixed hungrily upon our selling, and lot after lot of shoes has been offered us at prices that were tempting and delusive. Fortunately for you, we look at

other things than the prices, and very little of these goods have been admitted to our stock, because they failed to measure up to our standards. But the other day the best-known maker of Children's Shoes in all America made his offer. There was

no question about quality this time, -better children's shoes than his are not made, because he makes them just as well as they can be made. We accepted this offer and here's the result. Qualities, as stated above, are best. As to prices, judge for yourself, -they follow: -

THIRTY-FIVE CENTS A PAIR FORTY-FIVE CENTS A PAIR

For small boys and girls; dongola, smooth goat, lambeau calf: laced and buttoned; tips of sole, patent leather and kid; solid soles; sizes It to 2.

The selling of Men's Shoes in the basement, at \$1, \$1.80 and \$2, and of Women's Shoes, in the shoe store, main floor, at \$1.50 and \$1.70, continues.
